HEALTHCARE RISK MANAGEMENT COMPANY

About Us

Founded in 2016, Roy Medical Assistance (RMA) is a trusted global healthcare risk management company dedicated to delivering quality and affordable care to travellers, expatriates, diplomats, students, and corporates. With over 10 years of experience and a presence in 25 countries, RMA has successfully managed 21,000+ medical cases through a strong network of 6,000+ preferred providers. Supported by a 24/7 multilingual assistance team, RMA ensures proactive, compassionate, and seamless healthcare support worldwide.

Mission

- To be a trusted global partner in healthcare and cost management with transparency and integrity.
- To ensure quality medical care for every patient across borders.
- To deliver seamless operations in medical assistance, repatriation, emergency coordination, and claims management.
- To drive continuous improvement through innovation and high standards in healthcare administration.
- To serve with compassion, professionalism, and empathy, making healthcare accessible and reliable for all.

A man in a dark suit and light blue shirt is pointing his right index finger at a glowing, translucent globe. The globe is surrounded by various icons: a medical cross, an airplane, a heart rate monitor, a stethoscope, and a medical truck. The background is a gradient of blue and white with some abstract light effects.

Vision

- Building a worldwide network of trusted medical partnerships to redefine global healthcare standards.
- Expanding presence across all regions to ensure quality medical support and cost efficiency for everyone, anytime, anywhere.
- Combining technology, compassion, and collaboration to deliver seamless healthcare experiences.
- Strengthening international alliances and service infrastructure for continuous growth and innovation.
- Aiming to lead the global medical assistance industry with trust, reliability, and forward-thinking solutions
